Dear Parent/Guardian

Re: Decant Day – Tuesday 26 April 2011

You will be aware that we are reaching another exciting phase of our academy building programme, which is due to be completed in September 2012.

Immediately following the Easter break, on Tuesday 26 April, staff and students will return to the academy where all lessons will take place in the new temporary buildings. These include a revamped Block 4 (Building A), newly sited Music rooms (Building C) and the main building (Building B). In accordance with Health and Safety requirements and in order to minimise disruption to learning, staff are being given the opportunity to familiarise themselves with the buildings prior to the students' arrival on site. **Therefore, it is necessary to allow students to arrive at the academy at a later time of 9.45am for a 10.00am start. Details of bus times are shown on the attached sheet. Students should proceed directly to the Main Hall on arrival.**

During the day students will be inducted into the accommodation as well as attending their timetabled lessons. The occasion will be marked by a celebratory lunch break with music and entertainment.

I would like to reassure parents/guardians that student learning is at the centre of all of our decision making and we will not allow a move into temporary buildings to, in any way, hinder student progress.

Yours sincerely

Mr A Hemmings
Principal
