**THE BUSHEY
ACADEMY**

Proud to belong

Dear Parent/Carer

Movement of Vehicles on the Academy Site

Building works at the academy commenced on Monday and have inevitably resulted in increased traffic around the school site as the builders, Kier, establish their compound, begin refurbishment works to Block 4 and prepare for the arrival of the temporary accommodation.

In order to maintain the safety of students and staff, we have agreed a protocol to manage all construction traffic throughout this period and, in particular, at the start and end of the academy day, when we have the added traffic with school buses arriving and departing. In order to maintain timely and safe arrival and departure of students, I would like to request that all parents/carers who drop off/pick up students at these times, do so on the adjacent roads without entering the site. Please ensure that you discuss these arrangements with your child to avoid any confusion or distress, as parents/carers found to be waiting/parked up on site will be asked to move on.

I am sure you appreciate that student safety is of paramount importance and your support in maintaining this throughout the construction period, is very much appreciated.

Yours faithfully

Misha'al Nasser-Green
